Sorry Something went wrong Is your network connection unstable or browser outdated? English View source Del Beautiful Creatures is the song Spix's Macaw Tribe sang to celebrate Jewel's home in Rio 2. The song is performed by Barbatuques, Andy Garcia, and Rita Moreno. In the film, the song was played during the choreography dance featuring Jewel, Roberto, Eduardo, Mimi, Carla, Bia, Tiago, Blu (who failed to fit into the group and was eventually left out) and the rest of the tribe. All members of the tribe participating in the song had their faces painted (males faces are colored in red and females' are colored in yellow), while females' wing tips are also painted yellow, using colors extracted from fruits and flowers. Jewel, Roberto and Mimi's faces are not painted during the dance. Roberto, however, places a yellow flower on Jewel's head at the beginning of the song. After Jewel aged to Blu in a cut-open fruit on a pile of yellow flowers, painting his face with both colors (giving him a male-female look based on color). Just like in the first film, with Fly Love, this song was replaced in Latin America with its Brazilian version, Você Chegou. As part of the closing ceremony for the Rio 2016 Olympic Games, this song was played by Barbatuques at the Maracanã Stadium. They sang it in English, Portuguese and French.
